

A TEAM APPROACH: Supporting Students with Intellectual Disability, Developmental Delay, Down syndrome, and Chromosomal Disorders

MONDAY 26 NOVEMBER 2018

A TEAM APPROACH: Supporting Students with Intellectual Disability, Developmental Delay, Down syndrome, and Chromosomal Disorders

MAINSTREAM AND SPECIAL EDUCATION CLASSROOM TEACHERS AND SCHOOL ASSISTANTS

Parents/Carers of children are welcome to register

This workshop is for school assistants, special education teachers and mainstream classroom teachers who are working with children in mainstream, special unit, special classes and special schools across the 3 education sectors in South Australia.

This practical course will include information and hands on learning about:

- Understanding the student – characteristics, specific learning styles
- The role of the assistant in supporting the teacher – recording
- Developing social skills – using visuals – independent learning – contracts
- Collaborative practice – all levels of staff, parents and peers
- Understanding behaviour and Influences on behaviour
- Developing a team approach.

Certificates will be provided that include reference to the Teacher Standards that apply to this workshop:

- ✓ Standard 1.6. Work with colleagues to access specialist knowledge, and relevant policy and legislation, to develop teaching programs that support the participation and learning of students with disability
- ✓ Standard 7.3. Identify, initiate and build on opportunities that engage parents/carers in both the progress of their children's learning and in the educational priorities of the school.

ABOUT THE PRESENTERS

Anne's roles have included consultancy, publishing teacher resources, presenting practical approaches to supporting students with intellectual disability across all age groups.

Wendy has extensive experience working as a teacher in schools and as a special education coordinator. She currently works as a Special Education Consultant, assisting school staff to support students with disabilities in their classrooms and school environments. Wendy is a passionate educator who feels strongly about creating a more diverse, inclusive and caring society where every person is respected for their individuality and their unique contribution to the community.
