**Natalie
Montgomery
Sports Therapist
Inclusive Sport SA**

Learning 4 All

**ALL STAFF IN PRIMARY AND SECONDARY SCHOOL INCLUDING
COORDINATORS, PE TEACHERS, CLASSROOM TEACHERS AND
SCHOOL ASSISTANTS**

This workshop is intended for all school staff working with students or involved in planning, program or policy development for student physical education. The workshop will provide information about understanding the effects that specific disabilities can have on learning and participation. You will: discover a framework for planning and implementing inclusive lessons; learn how to overcome barriers to participation; develop positive behaviour strategies and a framework to encourage successful lessons; be exposed to practical resources to use in lessons .

Learning outcomes for this workshop include:

- Understanding the impact of specific disabilities on learning and participation in physical education/activity
- Awareness of an inclusive model in lesson planning and implementation
- Developing positive behaviour support plans for specific students
- How to develop and source resources for best practice instruction in physical education/activity

Certificates will be provided that include reference to the Teacher Standards that apply to this workshop:

- ✓ Standard 1.6 Strategies to support full participation of students with disability: Design and implement teaching activities that support the participation and learning of students with disability and address relevant policy and legislative requirements
- ✓ Standard 3.6 Evaluate and improve teaching programs: Evaluate personal teaching and learning programs using evidence, including feedback from students and student assessment data, to inform planning

ABOUT THE PRESENTER

Natalie has worked in the disability sector for 16 years. She is a certified practising speech pathologist and positive behaviour support practitioner who now uses her skills to support young people in engaging in inclusive physical activity.
